- Government per diem rates apply.**
- Stay within Travel Budget.**

# Reports

## ❑ Program Management:

- Monthly Narrative Report NLT **10<sup>th</sup>** – To COR
- Monthly Invoice NLT 20th
- Annual Contractor Manpower Report NLT 31 OCT

## ❑ Team Members:

- Monthly Narrative Report NLT **5th workday** of each following month
- Travel Expense Voucher NLT **5 workdays** following completion of travel
- Trip Report NLT **5 workdays** after travel completion

# Government Furnished Equipment (GFE)

- Work space, furnishings, telephone services, supplies.**
- MMT Members will be issued a PBUSE V1 System.**
- Inventory Government Furnished Equipment (GFE) Quarterly.**
- COR holds Primary Hand Receipt-W47A52.**
- Submit signed Component Hand Receipt for GFE to Operations Manager/Program Manager Quarterly.**
- Submit exchanges/turn in's to Program Manager (PM) as completed (printer, laptop, monitor) – Provided NEFF Exchange Form.**
- Submit updated Component Sub-hand receipt with serial number on laptop when changed.**

# SASMO Support and LOG OU

- ❑ **PBUSE systems will be placed in the LOG OU on the USAR Network**
- ❑ **System support for LOG OU systems are contract SASMO (CGI)**
- ❑ **USAR STAMIS Tool Box (resides on LOGDAT)**
  - Contains all supported LOG STAMIS by serial number
  - Contains SASMO support/POC info
- ❑ **Comply with automation security guidelines in accordance with AR 380-19-Cyber Awareness Training and Acceptable Use Policy (USAR Form 75-R) upload into ATCTS**
  - Complete Computer Users Security course annually
  - Keep account information current using:  
<http://milconnect.dmdc.mil>
  - Information Assurance-Cyber Awareness Training Websites:
    - <https://ia.signal.army.mil/>
    - <https://iatraining.us.army.mil>
    - <https://atc.us.army.mil/iastar/index.php>

# PBUSE Roles and Permissions

- ❑ Roles and Permissions are established by the command's individual PBO's
- ❑ Recommended roles and permissions:
  - Team Chief
  - Asset Vis
  - SASMO
- ❑ SASMO permissions allow visibility of unit level information
- ❑ Supply Sergeant permissions may be granted if the command/company commander determines the need (in the absence of an assigned Supply Sergeant)
- ❑ Send PBO and Team Chief appointments to the PM

# Contract Training Requirements

- ❑ Training Requirements-At start of Contract and then Annually.

## 1) Cyber Awareness Training-

<https://atc.us.army.mil/iastar/index.php>

### **Acceptable Use Policy – USARC Form 75-R.**

This form should be completed the same day you complete the Cyber Awareness Training. This form can be found in ARAMP and/or USARC Forms.

**You must upload** this form in ATC Ft Gordon site yourself.

## 2) Anti Terrorism Training – <https://Jkodirect.jten.mil>.

(Normally done September every year)

## 3) OPSEC Training = Within 10 days of contract start date.

<https://www.iad.gov/ioss/index.cfm?14agWHAWGFO3hduOtnH4pg>

# Contract Requirements (Con't)

Below is a list of training that is currently required annually for Contractors per AR G4.

1) Combating Trafficking in Persons (CTIP)-Go to AKO/Self Service/My Training/ALMS

2) Threat Awareness and Reporting Program (TARP) Brief (Replaces SAEDA) AR 381-12- This is a classroom environment class. If missed you will take it in AKO: Go to AKO/Self Service/My Training/ALMS/Go To Mandatory Training Courses

**\*Note: All are under Mandatory Training in ALMS**

# GCSS-ARMY POINTERS

- ❑ **Make sure Authorization document is validated in FMSWeb.**
- ❑ **Make sure Unit Identification Code (UIC)/Derivative Unit Identification Code (DUIC's) with equipment have a Property Book DODAAC.**
- ❑ **Make sure the UIC/DUIC's are valid in DRSS-A/FMSWeb.**
- ❑ **Army Enterprise Systems Integration Program (AESIP)**
- ❑ **SIC B will be moved to SIC A in PBUSE, prior to migration. Will cause property imbalance. PBO needs to be aware ahead of time.  
(expendable/durable)**
- ❑ **Component Listings – Bill of Material (BOM)**

# GCSS-Army

- ❑ **Wave 2 began fielding in 2Q FY 15 and replaces PBUSE, SAMS-E and SAMS-FM located at 1,274 Army Reserve facilities captured in over 5,350 Sustainment Information Systems (SIS).**
- ❑ **GCSS-Army is being fielded to every organization in the United States Army from FY 2013 to 2017.**
  - If this mission continues past FY 2017, it may be added via change order.
- ❑ **Services under this procurement will include analyzing 6,092 different Line Item Numbers (LINs).**
- ❑ **Business rules for data integrity in an Enterprise Resource Planning (ERP) solution are unforgiving and will not accept corrupted data.**
- ❑ **On average, there are over 20,000 errors within the AR tactical logistics systems.**

# GCSS-ARMY

- ❑ Everything we do (inventories, IUID, inactivation's, etc.) is geared towards clean data for GCSS-Army migration.**
- ❑ Templates are a new requirement to Operational, Functional, Training and Support (OFTS) Commands, with already overtasks logistic staffs, can be difficult to interpret and complete.**
- ❑ Subject Matter Experts (SME) working the drafts will ensure a successful migration.**
- ❑ Standard Army Maintenance System-Enhanced (SAMS-E) .DMP file and validation documentation will be more of a suspense tracker and assisting SAMS-E operators submitting monthly files to the PM of GCSS-Army.**

# Intermediate Supply

- Provides logistics support to the Army Reserve with Plant 2000 and 2001 with Class II, III (bulk), IV, VII and IX.
- Plant 2000 consists of Property Book, Unit Supply, and Maintenance
- Plant 2001 consists of SSA and Retrograde Sites.
  - 18 SSAs and 4 Retrograde Sites.
- Provides SMEs in Property Book and Unit Supply activities.
- Provides DODAAC Management and ANS Coordinator.
- Provides Material/Commodity Management in Plant 2001.

# Intermediate Supply

- Operates a help desk office for GCSS-Army.
- Assist units/activities establishing fund centers.
- Provide assistance with Zpark in budget execution.
- Provide Release Strategy.
- Identify and support actions needed to reduce SALE risk, costs, and address emerging issues.
- Be prepared to assist Fielding Groups to GCSS-Army

# Intermediate Supply

## ❑ Operates 18 Supply Support Activities (SSA)

(ABC-Pittsburg KS; WEN-Pittsburg KS; W14-Barling, AR; WMG-San Antonio TX; WPU- Ft Bragg, NC; WSM-Darien IL; WTN-Ft Bragg NC; WXT-Ft Bragg NC; WXU-Ft Bragg NC; WXW-Ft Bragg NC; WXX-Ft Bragg NC; WY3- Dallas/Ft Worth TX; WY4-Ft Bragg NC; WTH-Ft Dix NJ; W87-Ft Jackson SC; WSQ-Ogden UT; WSK-Ft McCoy WI)

## ❑ Operate 5 Retrograde Sites

(Ft McCoy WI; Ft Polk LA; Ft Dix NJ; Ogden UT, Rickenbacker OH)
