

EAGLE BOA Holders,

The U.S. Army Reserve Command (USARC) Materiel Management Team (MMT) Task Order Request for Proposals (RFP) was scheduled for release the week of 08 February 2016, however, there is ongoing coordination about some potential changes in the requirements. In efforts to mitigate having you begin work on your proposals only to amend later, we have decided to delay the release of the RFP. We apologize for the delay and will post an update to this website with a projected RFP issue date as soon as possible. Thank you for your patience and your continued interest in the EAGLE Program.
