

U.S. Army Contracting Command

"Our People-Providing the Best Support!"

Global Reachback Contracting Overview

Mr. Jake Adrian
3 March 2016

Global Reachback Contracting Division

What is Reachback?

- Execution of OCONUS Requirements by a CONUS Contracting Office

Beginnings

- Direction by SECARMY in Response to Contract Quality and Fraud Related Issues
- Issues included:
 - Massive increase in workload
 - Growth in complexity of contractual issues
 - Lack of defined requirements process
- Reachback efforts started in Sep 07

Why ACC-RI?

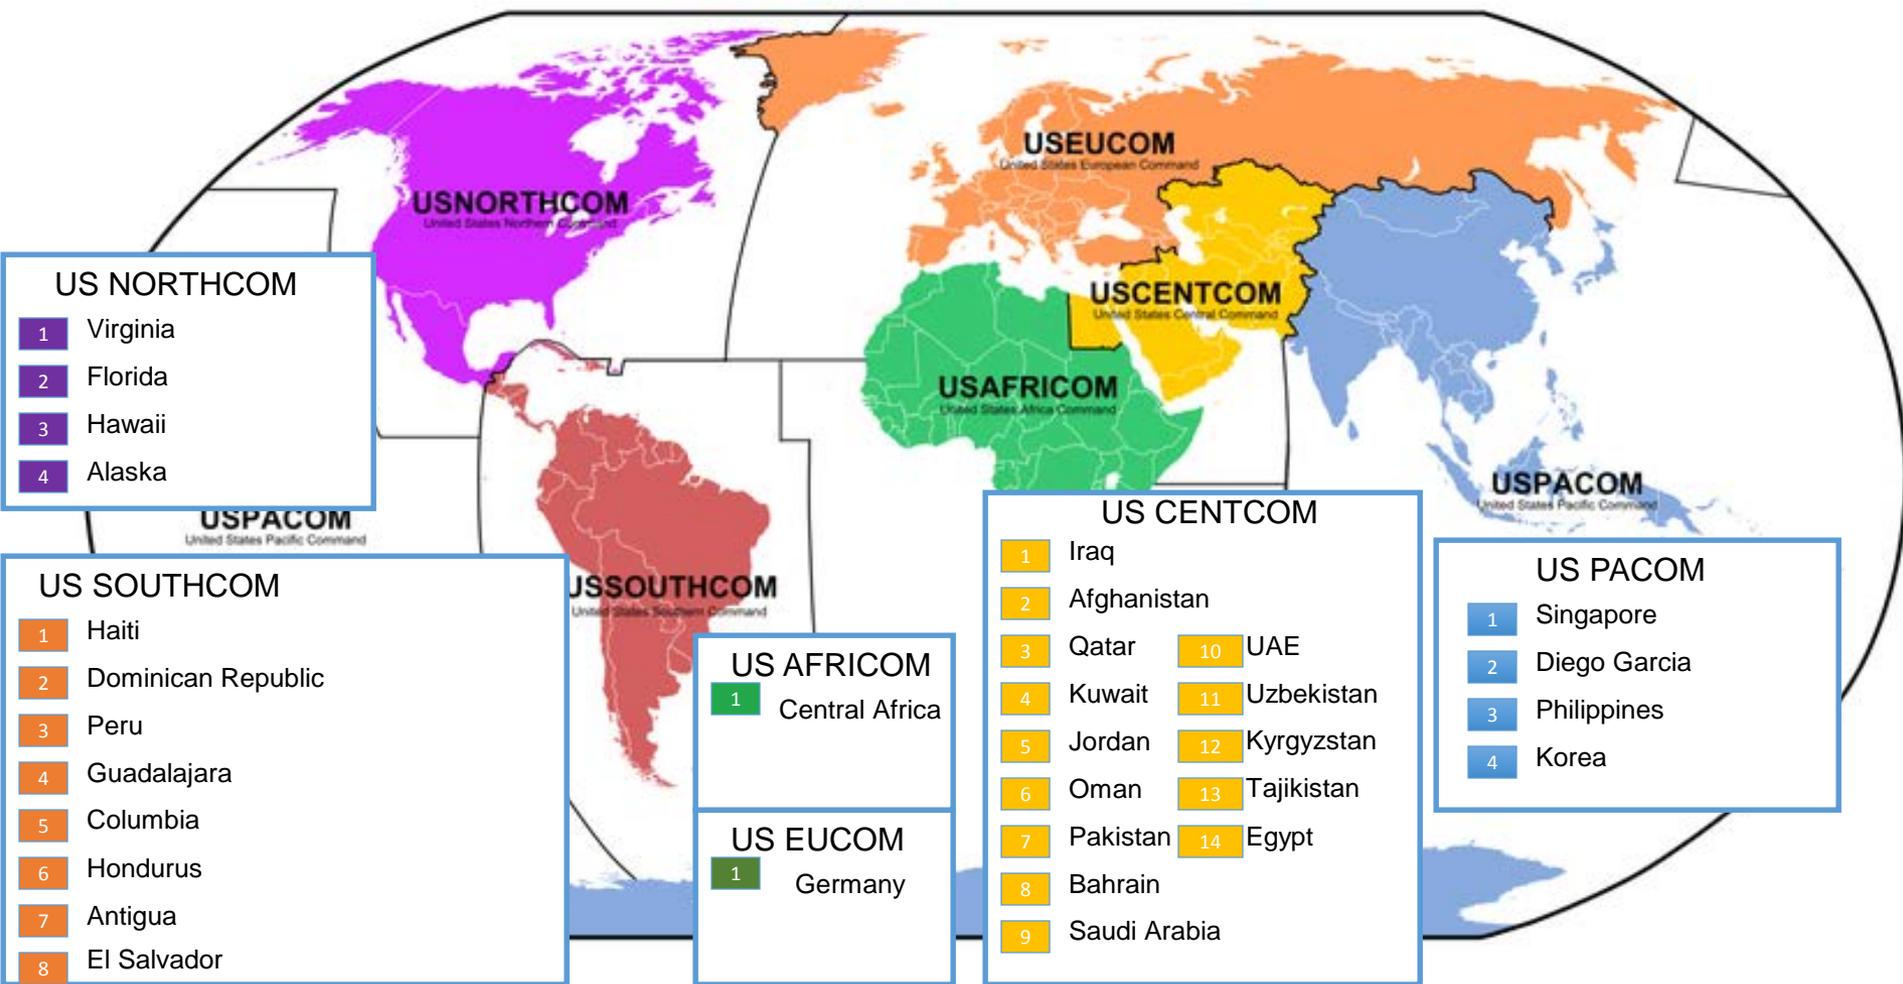

- Relationship with ASC & LOGCAP
- SWA efforts backed by 550 person Contracting Center
 - Extensive experience executing contracts with performance in SWA
 - Experienced with large-dollar service contracts
 - Able to supply needed contracting specialties
 - Pricing, Property, Counsel
- Able to tap into ACC acquisition solutions and resources
- Stable Workforce

Current State

- Customers include:
 - Expeditionary Contracting Command – Afghanistan (ECC-A)
 - USFOR-A, CSTC-A, NGIC
 - 408th CSB in Kuwait, Qatar, Jordan, Egypt (ARCENT, 1st TSC, C-JFLCC)
 - 54+ personnel
- More than \$2.2B in annual obligations
