KEY WEST – JIATFS REGIONAL CONTRACTING OFFICE

DODAAC: W912PX

OFFICE SYMBOL: CCEC-AMK

TELEPHONE: DSN 483-5821

BACKGROUND

The Key West Regional Contracting Office provides contracting support to Joint Interagency Task Force South (JIATFS) located in Key West, Florida. The office receives its warrant authority, contracting legal and policy review from the Principal Assistant of Contracting (PARC) Office located within the 410th Contracting Support Brigade (CSB). The 410th CSB is headquartered out of Fort Sam Houston, Texas under the command of COL William Sanders. The JIATFS RCO provides support to the JIATFS mission through various contract actions including professional services for C4ISR support, Logistics Support Services, and Base Operations Support. We procure IT hardware and software; IT maintenance; office equipment and furniture; and infrastructure construction projects.

CUSTOMERS

JIATF South conducts interagency operations against illicit trafficking by highly mobile asymmetric threats originating or transiting its Joint Operating Area (JOA) by Detection and Monitoring of illicit air and maritime targets, intelligence fusion, information sharing, and multisensory correlation to facilitate interdiction and apprehension along with Partner Nations in support of National Security and Regional stability.
